**Responsible to:**

London Area Manager

**Liases with:**

Clients, Members of the Team, General Public, Police, Housing Officers and Your Option Management.

**Role location:**

Central London & surrounding areas

**Pay : £16.00 – £25.00 per hour dependent on experience.**

## About Us

We are recruiting for a Part Time Crime Scene & Specialist Cleaning Operative for our Clean Extreme Option sector. The correct candidate will be flexible, reliable, and honest with good communication skills. The Crime Scene & Specialist Technician will also be trained in biohazard cleaning and demonstrate competency in cleaning of hazardous environments as well as crime scenes.

The correct candidate will be responsible for a variety of specialist cleaning tasks which will include restoration, demolition, floor maintenance, deep cleaning, and other associated cleaning tasks. They must work well on their own initiative and follow instruction well. They must enjoy team working as well as be confident to engage in solo work tasks.

The Clean Extreme Option department operates on a 24/7 basis and the desired candidate would need to be flexible in their working patterns, as this will include nights and evening and weekends. Due to the nature of this role the correct candidate will need to be available and demonstrate flexibility for emergency call outs at night and at the weekend.

Paid training will be undertaken prior to completion of any jobs. Company vans are available for rent if you do not have your own vehicle. All cleaning tools and equipment will be provided to you, along with our full uniform and PPE.

## Duties:

- Demonstrate safe handling of materials and waste which are considered medical or biohazardous waste
- Responsible for operating various types of machinery including floor buffers and scrubbers
- Stripping, scrubbing, buffing, refinishing or sealing of different types of hard surfaced floors using appropriate equipment and chemicals
- Deep cleaning and maintenance of carpets by approved methods
- Responsible for operating high level extraction equipment for dusting
- Deep cleaning including coring, descaling, and sterilising of surfaces.
- Responsible for securing working area, using appropriate safety barricades, and removing when duties are completed and area is safe for public use
- Keeps cleaning equipment operational by following manufacturer's operating and care guidelines
- Maintains safe working environment by complying with procedures, rules, and regulations
- Contributes to team effort by accomplishing related results as needed
- Ensure that all works are carried out and completed to the highest standards
- Ensure that all works are carried out in a safe manner and in accordance with the companies H&S policies

## What we're looking for:

- Experience in hazardous & crime scene cleaning is preferable but not essential
- Previous floor care/carpet cleaning experience is essential
- Previous deep cleaning experience is essential
- Attention to detail
- To speak and write fluent English
- Ability to work under own initiative or as part of a team
- Electronic reporting skills
- IPAF is desirable but not essential
